Dear Sir:

I have been given permission by The Philadelphia Stars, to write you and ask if you will play with The Newark Eagles if we can come to terms?

Due to the fact The Eagles had so many men in the service and they are all back, we will have more men than we need. On the other hand The Stars need more players, and we are in a position to give them two men for you, both men they need and want.

We cannot afford to make the trade unless we have your assurance you will report.

We are training in Jacksonville Florida, and will open camp April 1st.

Please answer me right back, as the time is near when we leave for camp.

Very Truly Yours
